Help your child to cut out the cards (with child-safe scissors). You can play different games. Mix the cards up. The child sorts them into families, points to each person and says the family word, e.g. Grandpa. Choose one of the families and say a sentence, e.g. This is my brother. The child picks up the correct card. Alternatively, play the audio clip and ask the child to put the cards in the correct order. If you print two copies of the worksheet you can also play Snap! with your child.
