Teens around the world

English is the official language of the UK. It's also the language of lots of other countries around the world! Today we talk to two teens, Sam and Amanda.

Hello, I'm Sam. I'm from Belize. It's a small country in Central America. I'm twelve. My birthday is in September. My interests are swimming and bird-watching. Birds are really interesting. I think they're cool. My pets are a parrot and a toucan. They are very intelligent birds! My favourite things are my computer games and my computer.

I'm a Young Lions fan – they're a great team. What are my favourite things? My mp3 player and my music collection. I love music! My house is an apartment. There isn't a garden, but it's near the sea.
