

## Teaching notes

In this episode the teenage presenter, Buchi, interviews a group of secondary school students in London. He asks them questions about their family, routines, possessions and free time.

**Grammar** have got, present simple, question words

**Vocabulary** family, daily routine, possessions.

### Before you watch

- 1 Warm up** Ask students to brainstorm some free time activities and activities that are part of their daily routine. Write the phrases on the board. Ask students to do Exercise 1.
- 2** Ask students what their favourite possession is and go round the class writing their answers on the board. Then ask them to do Exercise 2.

### While you watch

- 3** Play the introduction (0:03:05–0:03:24) while students answer the multiple choice questions.
- 4** Tell students that they will see a group of students from London talking about their families and possessions. Explain that they will need to watch carefully and circle the correct option in the table and that the students won't always appear in the same order so they will need to watch and listen carefully. Play the second part of the video (0:03:24–0:04:40). Play the video again if students need more time.
- 5** Ask students to read the sentences in Exercise 5 and check they understand all of the activities. Play the third part of the video (0:04:40–0:06:07) then check the answers.

### After you watch

- 6a and b** Explain that the sentences in Exercise 6a are all skeleton answers to the questions Buchi asked the British teenagers in this episode. Ask them to complete the information for themselves. Then ask them to do Exercise 6b.

- 6c** Divide the class into pairs and ask them to interview each other. Allow ten minutes for this. Then ask for volunteers to present their partner to the class and choose four or five examples.
