Unit 2 Song: Guidelines for parents and guardians

Shake your arms and shake your feet
Arms, legs, feet and hands
Shake your arms and shake your feet

Shake your arms and shake your hands
Shake your hands and shake your feet
Shake your feet and shake your legs
Shake your legs and shake your head!

Shake your head ... and shake your body!

Give instructions to your child to revise parts of the body: Shake your hands. Shake your feet. Shake your head. Shake your body. Shake your legs. Shake your arms. He/She listens and does the actions. Encourage the child to give you similar instructions.

Play the song for your child to join in with the words and the actions. Give the child crayons. He/She colours the picture. When he/she has finished, point and ask about the different colours.
