GLOW UP!

Why choose GLOW UP!

GLOW UP! is based on research and experience on how students learn and what teachers really need in the classroom. It offers a combination of varied, authentic and creative content, enriched with video and collaborative project work which keeps students engaged and motivated.

- 1 Integrated Learning and Assessment** is at the heart of **GLOW UP!** It helps teachers and students get the most out of every moment of learning.
- 2 A focus on Life skills, Sustainability and Learning situations** helps students to become more active learners and prepares them to use English in authentic contexts.
- 3 The LOMLOE is seamlessly integrated into the content**, providing comprehensive language coverage and essential practice of Grammar and Vocabulary across the four skills, as well as the necessary abilities for Mediation.
- 4 Accessibility is built into the design and concept of the course** ensuring all students can fully engage with the material, while also being able to meet the needs of mixed-ability classrooms.
- 5 GLOW UP!** combines the use of teaching, learning and assessment methods to plan, measure and improve outcomes. It empowers students and teachers to understand and unlock the learning process.
- 6 Sustainability** The Agenda 2030 goals are integrated into the course content, giving students the opportunity to consider their own role in building a more sustainable future.
