

Be Curious

Second Edition

Confidence in learning. Confidence for life.

A fast-paced Primary English course from Pre A1 to A2

Why choose Be Curious Second Edition?

- 1 An Integrated, Accelerated Path to A2**
 Our Integrated Learning and Assessment approach is built into the foundations of Be Curious Second Edition, helping teachers and learners get the most out of every moment of learning as they progress.
- 2 Official Exam Preparation Material**
 Teachers can trust the official preparation for digital and paper-based Cambridge English Qualifications, building learners' familiarity with exam tasks and growing their confidence with exam-style activities throughout the course.
- 3 Missions for Real-World Skills**
 Updated for the Second Edition, the engaging multi-stage Missions, set in real-world contexts, allow all learners to participate in collaborative, contextual and creative ways while building towards a completed project in every unit.
- 4 Focus on Whole-Child Development**
 The Cambridge Life Competencies Framework is further embedded, to develop the whole child and life-long learning habits, helping them build the skills they need to succeed as global citizens.
- 5 Makes Learning Grammar and Vocabulary Stick**
 The course boosts learners' confidence with strong characters who grow with them, funny stories, catchy songs and new videos, which make the language and vocabulary memorable.
- 6 Cross-Curricular Learning**
 Explore the world and develop new skills using English. New activities aligned to the Cambridge Sustainability Framework for ELT encourage learners to explore the world around them and access other subjects through English.
