

TIME TO FLY

Children just like me!

ENGLISH FOR
SPANISH SPEAKERS

A course that makes English relevant, relatable, realistic ... and fun!

Why choose Time to Fly?

1 Inspired by real young learners

The stories throughout Time to Fly are adapted from original writing and drawings by real learners of English from around the world, ensuring the course speaks to children on their level.

2 Clear and motivating models

Videos feature real young learners of English, who provide authentic models with realistic objectives, to help reduce anxiety and increase motivation.

3 A focus on speaking

Speaking activities in every lesson build confidence in communication through regular practice, while encouraging learners to show, and enjoy, what they know.

4 Celebrates children around the world

Learners see their own lives and those of children just like them reflected in the course, ensuring English is both relevant and relatable, while fostering cross-cultural understanding.

5 Appealing design and content

Time to Fly features carefully curated real-life and fantasy topics aligned to children's interests and other subjects they study in Primary, alongside vibrant and inclusive images and comic-book design.

6 English for Spanish Speakers

Time to Fly is designed for young learners in Spain with Key Competencies integrated in the course through learning situations in every unit, alongside thinking skills, collaboration, culture and plurilingual activities.
