3 Life Swap: Learning to sing and dance

Section 1 00:00 07:40

Narrator Natasha Firth is 14 years old. She lives in a big house with her mum, her dad and her sister. Natasha loves singing. And dancing. And her favourite colour is pink.

Jordan Oldershaw is 15. He lives with his mum, dad, sister and brother. Jordan loves playing sport. His favourite sports are football and tennis.

Natasha hates playing sport. Jordan is a really bad dancer and he can't sing. In this *Life Swap* Natasha tries to play sport. And Jordan tries to sing and dance. Let's see what happens.

Section 2 01:04 08:42

Jordan So, why do you like singing so much, Natasha?

Natasha I think it's because I'm quite good at it. Why do you hate it so much?

Jordan That's easy. It's because I'm so bad at it!

Natasha OK. Here we are. Come and meet my singing teacher. His name's Jason.

Section 3 01:20 08:59

Jason Natasha.

Jason Good. Jordan?

Jordan Oh, sorry.

Jason Don't worry about it. Stand up straight, now hold your head like this. Lower that chin. Good. And just put your hands here. Underneath here are some muscles that we need to use when you sing. You need to use these muscles, your throat, your tongue, and your lips. OK? Let's have a go again.

Section 4 02:32 10:11

Jason Good. Right, now that you're nice and relaxed, let's see if we can do those notes again. And.

Well done, Jordan. You're sounding much better already!

Jordan Thanks, Jason.

Natasha Well done! Now, it's time to try some dancing!

Jordan Oh, no, really?

Natasha Yes. Come on! Bye, Jason.

Jason Bye.

Section 5 03:07 10:42

Natasha I have a ballet lesson every week. I sometimes wear these special shoes. But you can wear these today.

Jordan Great.

Teacher Are you ready, Natasha?

Natasha Yes, coming. Now's your chance to dance!

Teacher Well done, Jordan.

Jordan Thank you.

Section 6 04:31 12:10

Natasha You were great, Jordan. What do you think about singing and dancing now?

Jordan I really enjoyed them. Thanks for a brilliant day, Natasha. I can see that singing and dancing are good fun. But I still think that sport's better!

Section 1 00:00 12:37

Section 4 02:28 15:03

Tom That was great! We're really tired now. We need a rest.

Justin You can come round to my place.

5 Life Swap: Playing sports

Section 1 00:00 15:41

Narrator Last time in *Life Swap*, Jordan found out about two of Natasha's favourite activities, singing and dancing.

Narrator Today it's Natasha's turn. Jordan loves sport. Natasha is going to play tennis and football with him. Jordan knows Natasha hates sport. But he hopes he can show her that playing games can be a lot of fun.

Narrator Jordan plays tennis every week. But this is Natasha's first time.

Section 2 00:37 16:16

Narrator At first, Natasha finds it difficult to hit the ball. It keeps going into the net. But she slowly starts to improve.

Jordan You're doing really well, Natasha, well done. Let's have a game.

Natasha A game?

Jordan Yes. I get a point each time you miss the ball. And you get a point each time I miss the ball. First to ten is the winner, OK?

Natasha OK.

Natasha I'm the winner!

Jordan Congratulations!

Section 3 01:54 17:33

Natasha That was fun!

Jordan Yeah, you did really well, Natasha.

Jordan Have a drink.

Natasha Thanks.

Natasha How many sports do you play, Jordan?

Jordan As well as tennis I play football, rugby and cricket. Those are all team games. And I play golf, squash and badminton, and I do athletics.

Natasha Wow, that is a lot! Which one's your favourite?

Jordan Football. Definitely football.

Section 4 02:22 18:01

Jordan I play a football match for a local team every Sunday. And I train every Wednesday evening.

Natasha I really don't like football. I can't even kick the ball. Can you show me how to do it?

Jordan OK. Don't kick the ball like this. Kick the ball with the inside of your foot. Like this. Now you have to shoot at goal.

Natasha You must be joking!

Jordan Don't worry.

Jordan Just kick it between those two posts.

Natasha I told you!

Jordan Don't worry.

Section 5 03:53 19:31

Natasha Thanks, Jordan. You're a really good sports coach.

Jordan Did you have a good time?

Natasha Yes, I had a great time. I really liked playing tennis. I want to play again.

Jordan That's brilliant.

Natasha What about you, Jordan?

Do you ever want to sing or dance again?

Jordan No, not really. Sorry!

Jordan But I really enjoyed my time with you today.

Natasha Yeah, it was great.

6 The Mag: A fashion shoot

Section 1 00:00 20:08

Isaac Hi! Today Rakhee and I are in Whitechapel, London, at a photographic studio.

Rakhee We're here to meet a student called Rebecca. She's studying fashion photography.

Isaac She also works part-time for a newspaper called the *Daily Mail* for their fashion magazine.

Rakhee We're here to find out how a fashion photo shoot works, and how to be a model for the day.

Isaac I think I'll be a great model.

Rakhee Let's go inside and find out.

Section 2 00:35 20:41

Isaac Hi, Rebecca!

Rebecca Hi.

Isaac I'm Isaac. And this is Rakhee.

Rebecca So you're my models for today's shoot?

Rakhee That's right. Can we see some of the clothes?

Rebecca Yes, of course.

Section 3 00:50 20:58

Rebecca These are summer clothes.

Summer is hot, so I like light clothes in strong colours. Like these polo shirts and T-shirts. Clothes with stripes are popular this summer. And everyone loves these big straw hats. They look great on the beach.

Rakhee Hey, look at me!

Isaac Cool!

Rebecca Try this with it, Rakhee. And, Isaac, what about this? Cool!

Section 4 02:50 22:56

Rakhee These summer clothes are great. What about autumn styles?

Rebecca OK. Well, colours like orange, brown and green work well in the autumn. Patterned tops, like this, are good. And knee-length skirts. And of course ankle boots.

Isaac What are good colours for spring clothes?

Rebecca Colours like pale green and pale blue are always popular in the spring.

Rakhee Do you always do photo shoots indoors?

Rebecca No, I really enjoy shooting outside, actually.

Isaac Do you shoot outside in the winter as well?

Rebecca Yeah. It's great to shoot outside on a really cold winter's day. I like to get the true feeling of each season into my photographs. But obviously I work indoors as well. In fact, do you want to do a winter photo shoot now?

Rakhee Yes, definitely!

Isaac Oh ... OK. What do you want us to wear?

Rebecca Big, warm boots like these are popular. Materials like wool always look good in winter. And they keep you warm. This is perfect for you, Isaac.

Section 5 04:50 24:57

Rebecca OK, that's it. Well done! The photos look great. You were both really good models.

Rakhee Thanks, Rebecca. Brilliant! I really enjoyed that.

Isaac So did I, actually. I think I'm a very good model, don't you?

Guys ... ?

7 The Hub: The drama workshop

Scene 1 00:00 25:36

Mandy Hi. Can I help you?

Rachel Yeah, thanks. I'm looking for the drama workshop. I'm Rachel.

Mandy Hi Rachel, I'm Mandy. Yes, I remember. You phoned yesterday.

Rachel That's right.

Mandy Well, it's good to see you. Welcome to the drama workshop.

Rachel Thanks.

Mandy We're working in small groups today. Come and meet your group. I think you'll like everyone.

Mandy Hi everyone, this is Rachel. This is her first time at the workshop so please make her welcome. Rachel, this is Kelly.

Kelly Hi, Rachel.

Rachel Hi.

Mandy And Joe.

Joe Hello!

Mandy Joe's helping me to direct this term's show.

Rachel Cool!

Mandy We start rehearsals next week and I'm sure there's a part for you in it.

Rachel Or ... maybe I could just help with the costumes or something.

Mandy Oh, OK. And last but not least, this is Leon.

Leon We've met. Hi, Rachel.

Rachel Hi.

Mandy Good. Right, it's time to start.

Scene 2 03:40 29:15

Mandy OK, everyone. Listen up. Here's the plan. Each one of you is really good at something, like singing, dancing, moving, whatever. Choose the thing you do best and then use it to tell the rest of us about yourself.

Leon You mean, do a performance to say who we are and what we're like?

Mandy Yes, that's right. A very short performance, Leon.

Mandy About one minute long.

Kelly Can we help each other, Mandy?

Mandy Yes, definitely. Help each other as much as you like. Any more questions? OK, you can plan your performances.

Scene 3 04:27 30:02

Leon I'm definitely doing a dance solo. What about you, Kelly?

Kelly A song, I think.

Joe Yeah, you're a good singer.

Kelly Well thank you, Joe. And what are you planning to do?

Joe A poem.

Leon Great idea! And what about you, Rachel?

Rachel I can't do anything like that. I'm no good at performing really.

Kelly I'm sure you are, Rachel.

Rachel No, I'm rubbish. I mean, you guys are really good at everything. But I'm just, you know, rubbish.

Kelly Listen, guys. I can talk to Rachel about this. You start rehearsing.

Joe OK. But don't be long. There's a lot to do.

Scene 4 05:12 30:47

Rachel I'm sorry, Kelly. I'm being silly.

Kelly No, you're not. Well, you are, but it doesn't matter. To be honest, Rachel, I don't really understand what the problem is.

Rachel It's just that I'm not very good at performing in front of a lot of people. I thought this workshop would be about games and stuff.

Kelly Do you do drama at school?

Kelly And do you perform in front of people there?

Rachel Yes, but it's different at school. It's a lot easier because I know people and they know me. I don't know anyone here and I always make a fool of myself in front of strangers.

Mandy OK, everyone. It's time for a short break. Come back in five minutes, please.

Rachel You've been really kind, Kelly, but I think I'd better go home.

8 The Hub: Magic tricks

Scene 1 00:00 31:58

Joe I really enjoyed today. Are you coming to the café?

Kelly Yeah, see you there.

Kelly Come for a coffee before you go.

Rachel Oh ...

Kelly Come on!

Scene 2 00:21 32:17

Kelly So, why did you come to The Hub, Rachel?

Rachel I'm new around here. We came to live here in the summer. I wanted to meet people and I like drama. Someone at school told me about The Hub. It sounded really great.

Kelly It is really great.

Rachel Yeah, well ...

Kelly You've come to the right place. But you're not giving yourself a chance, Rachel.

Rachel I'm not very brave, am I?

Kelly Yes, you are brave, actually. You decided to come here in the first place. That was brave of you.

Rachel And now I'm running away.

Kelly Exactly.

Scene 3 01:13 33:10

Leon Why does Rachel want to go home? She was doing all right in the warm-up.

Joe Yeah. She obviously doesn't like performing. I can't see her being in this term's show. She's too shy.

Leon Kelly likes her.

Joe Kelly likes everyone, Leon!

Scene 4 01:34 33:31

Kelly Wow! Do that again.

Kelly Wow! Fantastic! What else can you do?

Rachel Oh, lots of stuff. I love doing magic tricks.

Kelly So, we've found something.

Rachel What do you mean?

Kelly We've found something you're really good at. You can introduce yourself to the drama workshop with magic tricks.

Rachel But I thought Mandy said sing or dance.

Kelly She said something you're good at and you're really good at magic.

Rachel Are you sure magic is OK?

Kelly Yes.

Kelly Do it, Rachel. I know you can. Go on, be brave!

Rachel All right then.

Joe Come on, Kelly, it's time to start again. Bye, Rachel.

Leon Bye.

Kelly Hey, not so fast, boys. Rachel's staying. We've found something she's really good at.

Joe Really? What?

Rachel Magic tricks.

Leon Magic?

Rachel That's right. I'll need you all to help.

Scene 5 03:07 35:03

Mandy Thank you, Leon. That was great. Well done. And now it's time for Rachel to show us her presentation. Now, Rachel is a new member of this workshop and this is her first evening here, so please give her a very warm welcome.

Scene 6 05:34 37:31

Leon That was so cool. You've got to teach me magic!

Rachel OK.

Rachel I really liked your singing, Kelly.

Kelly Thanks, Rachel. And, hey, weren't you brave?

Rachel Well, yes, thanks to you I was.

Joe Bye, Kelly. See you next time. And you, Rachel, I hope.

Rachel Oh, yes. Definitely. Thanks. Bye.
