

- 1** A: How long have you known your best friend?
B: I've known him/her since we were ten.
A: Have you always been in the same class?
B: No, we've been in the same class for two years.
A: What do you do when you're together?
B: Well, we've played football for the same team since we first met, and we've always listened to the same music and played the same video games.
A: Do you have the same sense of humour?
B: Yes, we really like telling jokes and watching funny films.
A: Where is he/she now?
B: I don't know. I haven't spoken to him/her since yesterday. Maybe he/she's visiting his/her grandparents.

- 2** A: Do you think it's important to have a sense of humour?
B: Yes, I don't like people who are too serious.
A: What makes you laugh?
B: It depends who I'm with. When I'm with my best friend, everything makes us laugh.
A: Have you ever made a fool of yourself?
B: Yes, I told a very bad joke last week. It wasn't funny at all, and so it was really embarrassing.
A: What do you do when you want to have fun?
B: I meet up with my friends, and we play volleyball or do silly things together.
A: When was the last time you had a good laugh?
B: I haven't had a good laugh for two days now. I'm a bit down because my best friend's moving to another town next month.

- 3** A: Hi there! How are you?
B: I'm depressed. I'm studying for an important exam and I haven't had a break for three days.
A: Tell me about it. We're both having a hard time at the moment.
B: Have you studied for your history exam yet?
A: No, I haven't had time. That reminds me of a joke: What's the fruitiest subject?
B: I don't know.
A: History, because it's full of dates.
B: That's not funny. It's just silly.
A: Oh come on! Sometimes things aren't funny but they make you laugh anyway.
B: I'll tell you a silly joke if you like silly jokes: What do elves do after school? Gnomework.

- 4** A: How's your cousin doing?
B: I don't know. I haven't heard from him for a long time.
A: When did you last speak to him?
B: He sent me an email a month ago.
A: Has he started university yet?
B: Yes, he's been a university student since last October.
A: Has he made friends there?
B: Yes, I think he's having a great time. That's probably why he hasn't phoned me for ages.
A: Are you going to visit him?
B: Yes, he's already invited me. I'm planning to go in the summer.
