- A: Has the doctor arrived?
B: Yes, she arrived fifteen minutes ago.
A: Have you been waiting long?
B: I've been waiting for half an hour.
A: Have you seen this doctor before?
B: Yes, she's been working here for five years. Haven't you ever met her?
A: No, I'm new here. I've been living in the area for two months.
B: You'll like her. You look tired. Are you OK?
A: I haven't been feeling very well this week. I think it's stress.
B: Have your teachers been giving you too much homework?

2

- A: How long has your brother been playing in a band?
B: For two years.
A: Have they made any CDs yet?
B: Yes, they've made three.
A: Where is he now? Is he on tour?
B: Yes, they've been touring Germany for three weeks.
A: How many concerts have they played in?
B: About ten, I think.
A: What about you? Do you play a musical instrument?
B: Yes, I've been playing the trumpet since I was twelve, but I'm not very good at it.

3

- A: What kind of music do you listen to?
B: I listen to all kinds of music, but recently I've been listening to a lot of soul.
A: Have you bought any CDs in the last month?
B: Yes, I've bought one by Adele.
A: How long have you been listening to her?
B: I discovered her a year ago. She's only been famous for a few years.
A: How many CDs has she made?
B: Two, I think. What about you? What do you listen to?
A: Well, I'm interested in jazz. I've been learning to play the saxophone for a year now, and I'd like to join a band.
B: Cool! Do you ever go to jazz concerts?
A: Yes, I've been to five in the last year.

4

- A: I'd love to play a musical instrument, but I don't think I've got any talent.
B: What instrument would you like to play?
A: I've always wanted to learn the guitar.
B: Well, you can learn a lot from videos on the Internet.
A: The Internet? Are you kidding me?
B: No, there are loads of sites that teach you how to play. Check it out.
A: Don't you think it's better to have lessons with a teacher?
B: Probably. I'm just saying that you don't have to have a teacher.
A: I think I'll ask my parents to buy me a guitar. But I haven't got a good voice.
B: That's got nothing to do with it. You can play the guitar well and not have a good voice.
