

1

- A: Do you ever tell lies?
B: Only white lies.
A: What's a white lie?
B: It's when you tell a lie to avoid hurting someone's feelings.
A: Give me an example.
B: For example, when you tell someone their new hairstyle looks nice when it isn't true.
A: Have you ever told a really bad lie?
B: Yes, once I told my mother about my day at school, when really I had spent the day in a park.
A: Did your mother know you'd lied to her?
B: Yes, when she found out the truth, I got into really bad trouble.
A: I bet you didn't do that again!

2

- A: Suppose you had your own private aeroplane, where would you fly to?
B: I'd fly to Florida and find a nice beach.
A: If you could be anyone in the world, who would you like to be?
B: I'd like to be a pop star like Beyoncé.
A: Say you could change one thing about yourself. What would you change?
B: I'd change my nose. It's too big.
A: Imagine you won a competition. What sort of competition would you like to win?
B: I'd like to win a competition for the best young writer.
A: If you had to spend six months on a desert island with one other person, who would you choose?
B: I'd choose my mum. That way I wouldn't have to cook.

3

- A: Are you an honest person?
B: Not always, no.
A: If you found some money in the street, what would you do?
B: I'd pick it up and spend it, of course.
A: If you didn't like your best friend's new boy/girlfriend, would you tell him/her?
B: No, I would avoid telling him/her. He/She might think I'm just jealous!
A: If you borrowed something from a friend and then accidentally broke it, would you tell him/her what happened?
B: Yes, of course. What's the point in inventing stories? I'd explain what happened and replace it.
A: Would you lie about your work experience in a job interview?
B: No. I don't think I would be very convincing, so it would be really embarrassing.
A: No, I wouldn't either.

4

- A: I wish I didn't have so much homework to do.
B: Me too! I wish I was a pop star and didn't have to go to school.
A: If only I understood Maths, the homework wouldn't take so long.
B: I wish I could explain it to you!
A: I want to go out and have some fun. If only I had a boy/girlfriend.
B: If only there were discos and places for teenagers, we might meet some boys/girls.
A: I wish we knew some rich good-looking boys/girls who could take us out in their car.
B: If only we weren't so depressed.
A: I wish we were dead!
B: Oh, come on! It's not that bad!
