

1 A and B are talking about bees. Write the dialogue. Follow the prompts.

A: Ask B if he/she has read that article about the theory that mobile phones are making bees disappear.

B: Say no. Ask what the theory is.

A: Give details.

B: Ask what happens to the bees.

A: Give details.

B: Ask if bees are important.

A: Confirm and explain why.

B: Ask if beekeepers have said that they've lost a lot of bees.

A: Confirm.

B: Say that something needs to be done before it's too late.

End the dialogue in a suitable way.

2 A and B are talking. Write the dialogue. Follow the prompts.

A: You / want / the Olympic water sports centre / be / build / our town?

B: No, I don't. Hundreds of trees / be / cut down, and huge play areas / be / lose.

A: I agree. And the homes / many ducks and swans / be / destroy.

B: The Olympic Committee say that the Games / make money, and lots of jobs / be create.

A: Yes, but temporary jobs / not make much difference to the town.

B: They also say that they / only use / parts of the park / be / close / five years.

A: And that animal habitats / not be damage.

B: You / believe them?

A: No, I think the sports centre / make / mess / our park.

B: Yes, we / do / best / stop the plans.

3 A and B are talking about B's town. Write the dialogue. Follow the prompts. Use the passive where possible.

A: Ask if B's town has changed in the last five years.

B: Say there are two new hotels.

A: Ask if that has made a difference to the town.

B: Say there are new jobs.

A: Ask if people are happy with the changes.

B: Say some people think they have cut down too many trees.

A: Ask if that's a problem.

B: Say the town council has promised a new park next year.

A: Ask who's going to build it.

B: Say there will be a competition for the design.

End the dialogue in a suitable way.

4 A and B are talking. Write the dialogue. Follow the prompts.

A: My sister / want / have / ears / pierce.

B: You / have / ears / pierce?

A: No, not yet. My parents said they / not let / until / I / sixteen.

B: But you / allow / have / hair / dye.

A: Yes, but they / make / choose an ordinary colour.

B: I want / have / body / tattoo.

A: You / think / your parents / let / do that?

B: No, but when I / eighteen, / I / have / do.

A: When / we / eighteen / we / do what we want.
