- 3**
- A: I wish I had some money.
- B: If you hadn't spent all your money on accessories last week, you would have some money.
- A: Yes, I wish I hadn't already spent it all.
- B: Anyway, what would you do with your money if you had some now?
- A: I'd buy a new computer game.
- B: If you spent any more time playing computer games, you'd never do any school work.
- A: That's true. I've got a History test next week. If I don't start studying soon, I'll fail it.
- B: Would your parents give you some more money if you asked them?
- A: I don't think so. They say that if they give me money every time I ask, I'll never be a responsible person.
- B: If you'd helped them raise money for charity last month, they would probably be more sympathetic.
