3 Students' own answers

- 4**
- A: I'd really like to go to university, but my boyfriend doesn't want me to go.
- B: You shouldn't listen to him. You might be sorry one day.
- A: He says that if I go, it means I can't love him.
- B: May I ask you how old you are?
- A: Yes, I'm seventeen. I'll be eighteen next month.
- B: Maybe you should talk to your parents. They'll probably know what the best thing to do is.
- A: You must be joking! They already don't like my boyfriend. It'll make things worse if I tell them this.
- B: You never know, they might understand. They must have been in love themselves once.
- A: Yes, but they couldn't go to university when they were my age because they were too poor, so they want me to go for them!
- B: You should think about what you want to do. You mustn't worry so much about what other people want you to do.
