Dear Hugo,

I've got a new friend. His name is Ivan. He's fantastic! He **lives** here in Manchester. He's got ten sisters! He **speaks** five languages – English, Spanish, French, Chinese and Arabic. He **cooks** fantastic food. He **paints** great pictures. He **plays** the guitar and the saxophone. He **rides** horses and **wakes up** at 6 o'clock every morning and **goes** to the swimming pool. He **visits** museums and art galleries and **knows** everything about science, history and art. He **sleeps** for only five hours every night.

His sisters are great too. Sara is fifteen and she **loves** music and sport. She plays the violin in the Liverpool Philharmonic Orchestra and she **trains** for three hours a day as a gymnast for the English Olympic team. She's very beautiful too!

**Come** and visit soon.
