About

Kid's BOX

New Generation

Kid's Box New Generation is a new and enhanced edition of the trusted course that has inspired thousands of teachers and a whole generation of pupils all over the world to teach and learn English.

Kid's Box New Generation combines contemporary, research-backed methodology with learner-friendly content. Our course characters take pupils on an English-language learning journey, developing the language they need to succeed in the Cambridge English Qualifications for young learners while also learning lessons on values, culture, maths, science, geography, sport and art.

In addition, *Kid's Box New Generation* promotes the key competencies that children should acquire in Primary Education, following the National curriculum for the teaching of English in Spanish Primary schools. You will see icons that correspond to the key competencies on each page.

Kid's Box New Generation Andalusia Booklet

The *Andalusia Booklet* is specifically designed for pupils using *Kid's Box New Generation* in Andalusia. This booklet provides an opportunity to explore different aspects of life in their autonomous community via English.

Children read about a variety of topics:

- Famous people from Andalusia
- Famous places in Andalusia
- Lifestyle and culture
- Wildlife and nature

Tasks include colouring and drawing, projects, responding to comprehension questions, and opportunities for speaking and writing.

The booklet has a variety of features to support and inform students as they work through the material, and to encourage them to carry out online research.

You can access all the course materials specifically created for learners in Andalusia via this QR Code.

ENGLISH FOR SPANISH SPEAKERS

The ENGLISH FOR SPANISH SPEAKERS editions help Spanish-speaking learners overcome the difficulties they face when learning English. This is achieved by integrating our expert knowledge of Spanish speakers with information taken from the unique *Cambridge English Corpus*.

Our in-depth understanding of Spanish-speaking learners is the result of extensive research carried out by our locally-based editorial team and is clearly evident in our ENGLISH FOR SPANISH SPEAKERS editions. This guarantees that the topics and activity types are relevant to Spanish-speaking learners of English, with a focus on areas of language which are typically problematic. Extra support is also provided for teachers of Spanish speakers through detailed teaching notes and specifically-designed ideas for the classroom.

The *Cambridge English Corpus* is a multi-billion word collection of written and spoken English. It includes the *Cambridge Learner Corpus*, a unique bank of exam candidate papers. Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. We use this system to identify which words, grammar patterns or language structures cause the most problems for Spanish-speaking students learning English. As a result, ENGLISH FOR SPANISH SPEAKERS editions are able to confidently address the common mistakes that Spanish-speaking learners make, and give extra practice and tips to avoid these typical errors.
