Introduction

The *Andalusia Booklet* is specifically designed for children using **Super Minds 2nd Edition** in Andalusia. This booklet provides an opportunity to explore different aspects of life in their autonomous community via English.

Children read about a variety of topics based on the region:

- Famous people from Andalusia
- Famous places in Andalusia
- Wildlife and Nature
- Lifestyle and Culture

Tasks include colouring and drawing, projects, responding to comprehension questions, and opportunities for speaking and writing.

In addition, **Super Minds 2nd Edition** promotes the key competencies that children should acquire in Primary Education, following the National curriculum for the teaching of English in Spanish Primary schools. You will see icons that correspond to the key competencies on each page of this Booklet.

Creative Thinking

Learning to Learn

Critical Thinking

Emotional Development

Social Responsibilities

Digital Literacy

Collaboration

Communication

The booklets have additional Fact boxes that inform students as they work through the material. Each section of the *Andalusia Booklet* is mapped to key competences set out by the Spanish Primary curriculum.

Fact

Further information related to a topic or surprising facts that are new to students.

Over 500,000 birds live in Doñana in winter!

Useful language

English words and phrases for speaking and writing.

Useful language

4 Ask and answer.

Do you like prickly pears?

No, I don't.

Do you like cheese?

Yes, I do.

Organic mangoes grow in Almeria and Málaga.

Fact

ENGLISH FOR SPANISH SPEAKERS

The ENGLISH FOR SPANISH SPEAKERS editions help Spanish-speaking learners overcome the difficulties they face when learning English. This is achieved by integrating our expert knowledge of Spanish speakers with information taken from the unique *Cambridge English Corpus*.

Our in-depth understanding of Spanish-speaking learners is the result of extensive research carried out by our locally-based editorial team and is clearly evident in our ENGLISH FOR SPANISH SPEAKERS editions. This guarantees that the topics and activity types are relevant to Spanish-speaking learners of English, with a focus on areas of language which are typically problematic. Extra support is also provided for teachers of Spanish speakers through detailed teaching notes and specifically-designed ideas for the classroom.

The *Cambridge English Corpus* is a multi-billion word collection of written and spoken English. It includes the *Cambridge Learner Corpus*, a unique bank of exam candidate papers. Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. We use this system to identify which words, grammar patterns or language structures cause the most problems for Spanish-speaking students learning English. As a result, ENGLISH FOR SPANISH SPEAKERS editions are able to confidently address the common mistakes that Spanish-speaking learners make, and give extra practice and tips to avoid these typical errors.
