## You Are Not Alone

- |                           |                               |
|---------------------------|-------------------------------|
| 1 Another day has gone    | a and leave my world so cold? |
| 2 How could this be?      | b I'm still all alone,        |
| 3 You never said goodbye, | c You're not here with me,    |
| 4 Did you have to go,     | d someone tell me why,        |

Everyday I sit and ask myself,  
How did love slip away?  
Something whispers in my ear and says,

### Chorus

- |                           |                              |
|---------------------------|------------------------------|
| 5 That you are not alone, | e I am here to stay,         |
| 6 Though you're far away, | f for I am here with you,    |
| 7 But you are not alone,  | g you're always in my heart, |
| 8 Though we're far apart, | h for I am here with you,    |

But you are not alone  
'Lone, why, 'lone, 'lone.

- |                                |                              |
|--------------------------------|------------------------------|
| 9 Just the other night,        | i your burdens I will bear,  |
| 10 Asking me to come,          | j then forever can begin,    |
| 11 I can hear your prayers,    | k I thought I heard you cry, |
| 12 But first I need your hand, | l and hold you in my arms,   |

Everyday I sit and ask myself,  
How did love slip away?  
Something whispers in my ear and says,

*(Chorus)*

Oh whisper three words and I'll come running,  
And girl you know that I'll be there, I'll be there,

*(Chorus)*
