## Welcome to the Cambridge Experience 2022, the very first as Cambridge University Press and Assessment!

We will kick off the event by exploring what it means to be an inclusive teacher, looking at strategies and techniques that encourage learners to participate in class and take an active role in their education. After this first session, we will welcome María Soto, an ambassador of positive

education in Spain. María will explore the behaviours of our learners, the role of communication and emotions in the classroom and the meaning of positive discipline. We look forward to seeing you for a morning full of ideas, inspiration and discovery!
